

St. David Unified School District
*Collaboration * Positivity * Preparedness*

April 28, 2022

Dear Parents and Students:

As we come to the end of another school year, I wanted to express my gratitude for all that we have accomplished this year. In the classroom, on the field or court, or in academic and CTE competitions, we all, as Tigers, did some great things and represented our school and our community very well. The positivity, support and help given to our school by parents and community members is what helps our school and our students achieve so much. It is truly a team effort. When everyone works together, so much more can be achieved. When everyone maintains a positive attitude, our campus can be a much more comfortable learning and working environment. Thank you all for helping to make that happen.

I look forward to seeing our Kinder, 8th grade, and 12 grade promotions on May 19th. That is the culmination of years of schooling that our students and family get to celebrate. This is possible because of all of us working together one day at a time for the betterment of each of our students.

Thank you very much for all that you do.
Congratulations, Graduates!

KYLE HART
