"Every Person Matters, Every Moment Counts"

As we are winding down a successful school year, we wanted to take a moment to express our gratitude to each and every one of you.

Our students have really shined this year, learning, growing, and supporting each other in remarkable ways. Their dedication to making every person matter and every moment count has been inspiring.

We'd like to extend a special thanks to all the parents and community members who have volunteered their time and support throughout the year. Your involvement makes a big difference in our school community.

Additionally, we want to recognize and thank our incredible teachers and support staff for their unwavering dedication and hard work. They consistently go above and beyond to ensure the success and well-being of our students.

Thank you once again for your continued support and partnership. Let's finish strong and celebrate the achievements of this school year together!

-Andrew Brogan & Joyce Mayberry

Congratulations!

It brings us great joy to announce that **Susan Watts** has been selected as our Elementary Teacher of the Year, and **Michelle Fry** as our New Teacher of the Year. Their passion for teaching and commitment to our students are truly commendable.
