3RD QUARTER

"Every Person Matters, Every Moment Counts"

Quarter 3 has begun!

Every moment counts, please help your student stay on track with assignments this quarter.

Please check on progress by reaching out to your child's teacher for any questions you have. Testing will begin after spring break in quarter 4. Keep practicing your skills to be prepared for end of year testing.

Do you have your forms filled out? Most of our school field trips happen during second semester, make sure permission slip forms are filled out and ask your student's homeroom teacher for information regarding field trips and chaperones.

Reminders

Any change of pick up plans, or if students are checked out before the end of the school day need to be directed to the office for teachers to be notified for the changes.

Personal items should stay at home unless given permission from a teacher note for specific holiday party. When in doubt, contact your child's teacher for clarification
