

## Parents as Partners

**You can help make our school a better place for your child by taking the time to reflect on these questions.**

- **Have you discussed with your child the importance of a good education?**
- **Do you make sure your child has excellent attendance?**
- **Have you identified a regular time and place for your child to complete homework assignments?**
- **Do you hold your child responsible for completing all assignments on time to the best of his/her ability? If you have older children, do you check their daily planner?**
- **Do you read to your younger children? If your child is older, do you encourage reading by paying attention to what your child reads and how often?**
- **Do you regularly read the District website for new information?**
- **Do you immediately contact your child's teacher(s) when you have a concern?**
- **Do you have time to volunteer at school (i.e. before, during or after school; in the classroom, library, or office; and/or extracurricular activities.)?**
